

These voters were cheated

Because officials stuffed ballot
boxes and bought votes.

Corruption. A crime against democracy.

This bridge was never built

Because the construction company disappeared along with the money, leaving local people stranded.

Corruption. A crime against development.

These children were never taught

Because a civil servant stole the funds needed to run this school.

Corruption. A crime against education.

This life was neglected

Because this baby's mother could not pay the bribe for care at the hospital.

Corruption. A crime against health.

Photo: plainpicture/Stockwerk

This case was dismissed

Because the judge accepted a bribe
and set a known criminal free.

Corruption. A crime against justice.

This bank was robbed

Because a bank manager embezzled millions each year, leaving many people without pensions.

Corruption. A crime against prosperity.
